**Largest Nextel Dealer Engages Zickler Associates as Exclusive Agent**

Wireless @ Work, Indiana's largest Nextel dealer, has formally engaged Zickler Associates, LLC, as its exclusive agent in Indiana.

Ryan E. Zickler reports new store locations have already been secured in Avon, Indiana, and at Heartland Crossing in Mooresville. Both stores are now open for business, bringing Wireless @ Work's total number of existing Indiana outlets to twelve. A thirteenth store will open soon in Muncie, Indiana.

The photos below depict the upgraded interior design theme for future locations. Derived from the high profile relationship between Nextel and NASCAR, these new stores feature the Nextel Cup Series design and related memorabilia. Some NASCAR items are available for purchase at select stores.
