Safari Adventures in Pets Now Open in Avon

A unique, new pet store recently opened for business at 36 Retail Center on Rockville Road (U.S. 36) in Avon, Indiana.

According to 36 Retail Center leasing representing Ryan E. Zickler, Zickler Associates, LLC, "Safari Adventures in pets provides a one-of-a-kind blend of elements from name brands like FAO Schwartz, Disney's Animal Kingdom, The Rainforest Café and The Flintstones. Its concept is like nothing else in this market and will benefit tremendously from Avon's regional customer draw."

The store is an 8,000 square foot entertainment type venue where families are encouraged to not only purchase pets, products and services, but also to experience the unique atmosphere and special events Safari Adventures in Pets offers.

The new facility features aquatic pets, reptiles, birds, dogs and cats, as well as offers an array of dry pet supplies and accessories.
